Ron Hall and Denver Moore Help Support PreSchool Partners

In town for the Saint Luke's 2010 Claypool Lecture, Ron Hall and Denver Moore raised money for outreach ministries in the Birmingham community and helped host a book fair for PreSchool Partners. On January 22nd, nearly 2700 people packed the Wright Center at Samford University to hear the authors speak, raising more than \$40,000. The following day, PreSchool Partners held its first book fair at Barnes and Noble. With a long line and eager customers, the book fair was a huge success.

PreSchool Partners is proud and honored that Hall and Moore shared their time and talent to benefit our program.
